PREMIER CHIROPRACTIC &
FUNCTIONAL MEDICINE

Dear New Member,

Welcome to our Office! We are very glad you have decided to give us the opportunity to work with you to improve your health.

We take your health journey very seriously and need your cooperation in completing the following paperwork **prior to your appointment** to maximize your time during your visit. Failure to complete **all** paperwork will cause a delay in your treatment plan and we would much rather spend your appointment time speaking with you than doing paperwork. If significant amount of information is not completed the appointment will have to be rescheduled at the fee below

Please note that your appointment may be forfeited if the following forms are not completed in their entirety and in our office prior to your appointment.

Allow yourself **a minimum of 60-90 minutes to complete your intake forms.** We know how valuable your time is and understand this may seem like too much information; however, the more we know about you, the better we can determine what treatment plan is best for you. It is difficult in a short conversation to gather all your medical background thus the many questions ahead of time.

APPOINTMENT POLICY

We understand that unexpected emergencies occur and discernment of the validity of the situation will be determined by the staff (i.e., auto accident or death). Our office requires a 24 hour notice should you need to reschedule your appointment. Therefore we ask that you plan accordingly so that we may continue to serve our patients in an excellent manner. **Please note a $197 charge will apply for missed or cancelled appointments not done within 24 hours.** You can notify us by phone at 888-503-5587. Text to either 888-503-5587 or 928-486-7220.

I am committed to becoming healthy and changing my life and improving my health. I have read and completed all my paperwork. Additionally, I have read and understand the appointment policy above and authorize the cancellation fees to be applied to my credit card.

PRACTICE POLICIES

Our goal in functional medicine and holistic nutrition is to provide you with the highest level of personalized care. We are committed to helping you achieve optimal health.

It is important to read all the enclosed information carefully and mail or fax the medical questionnaire to our office at least 3 days prior to your appointment (address on previous page). This will allow us to help solve your problems more efficiently and enhance the quality of your care. If your patient packet is late, it may take up to 30 minutes of your appointment time to review.

MEDICAL RECORDS

Medical records can only be released with your authorization. You are responsible for obtaining previous medical records from other physicians or health care providers.

CONSULTATION

Your initial consultation is approximately 45 minutes. The initial consultation is designed to save money and time in the long-term by performing the appropriate diagnostic testing and evaluation before treatment begins. Our approach is “test, don’t guess.” Identifying the underlying patterns contributing to disease is the key to a successful and lasting outcome.

FOLLOW UP VISITS

After your initial consultation, you can decide how you want to move forward with your wellness plan. After deciding which tests to order a follow up visit will be scheduled 2-3 weeks in advance to review your test results and customize a wellness plan according to your blood tests. Additional testing maybe required and will be reviewed with you. You are able to determine what testing to complete based on how much testing you want to do and your out of pocket expense for labs. Testing is frequently done to assess nutritional status including amino acids, fatty acids, oxidative stress, vitamin levels, mitochondrial function, food allergies, and heavy metals. Many additional tests are available, including genetic testing for a variety of conditions, bone health, gastrointestinal health, and others. You can decide whether you need coaching during your new health journey or will go about it alone and check in 3-6 months later.

PAYMENT OPTIONS

Our office accepts cash, checks or credit cards for services rendered.

APPOINTMENTS WITH DR. GOODINE

All appointments with Dr. Goodine are self-pay. Appointments with Dr. Goodine are not billed through insurance. Dr. Linda does accept insurance and we do not file insurance paperwork on your behalf.
